DETAILED ACTION

REASONS FOR ALLOWANCE

[1] The following is an examiner's statement of reasons for allowance: The instant invention is a person specific image processing method.

Prior art was found and applied in the non-final and final office actions. Applicant uniquely claimed a distinct feature in the instant invention, which are not found in the prior art, either singularly or in combination. The feature being setting whether image processing under the selected image processing conditions is applied to an image as a whole or applied only to the person or the person and a vicinity of the person. This feature is not found or suggested in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

[2] Claims 1-4 and 24-28 are allowed.
